Pursuant to Civil Local Rule 6-2, the parties stipulate to a request to extend by seven days the time for AMD's response to Oki's Supplemental Submission Regarding New

1 Material Relevant to Claim Construction. The Court's Order of December 12, 2005 set the  
2 time for response to 21 days from that date.

3  
4 As described in the accompanying Declaration, the reason for the request is that  
5 AMD's response to Oki's supplemental submission will require translation of parts of the  
6 prosecution history of the Japanese '345 patent. Because the upcoming holidays may delay  
7 this translation, the parties stipulate to a request for a 7-day extension. This extension will  
8 not otherwise affect the schedule of the case.

9  
10 IT IS SO STIPULATED, THROUGH COUNSEL OF RECORD.
